## INTRODUCTION

Bahrain National Anti-Doping Organization (B-NADO) seek to maintain the integrity of sport in terms of respecting rules, other competitors, fair competition, a level playing field, and the value of clean sport in Bahrain.

## ABOUT US

Bahrain National Anti-Doping Organization (B-NADO) is regarded as the competent, independent and qualified authority for enforcing the provisions of international anti-doping code in the sports field. acknowledged Internationally by the World Anti-Doping Agency (WADA) to carry out anti-doping tasks at the national level.

The Agency develops, implements, and oversees overall anti-doping in sport policies. Along with overseeing and monitoring the doping control work and activities in all sporting organizations within the Kingdom.

## VISION

Bahraini Doping-Free Sport.

## MISSION

To work against doping in all sport fields in Bahrain and create a comprehensive awareness of doping risks on athletes, parents, and society and promoting the principle of achieving victory in accordance with the principles of fair play in compliance with international law and standards in the field of anti-doping.

we are working to combat the scourge of doping in all forms of athletic competition at the national level of the Kingdom of Bahrain, to raise general public awareness of the risks associated with doping among athletes, parents, and society, and to promote the idea that winning is best achieved through fair competition in accordance with the rules of the game as set forth by international law and anti-doping standards.

# B-NADO

## SERVICES

Bahrain National Anti-Doping Organization provides high-level services that comply with international standards by employees with extensive experience and skills in the field of Anti-Doping for sport events at the national level, whether out-of-competition or in-competition. The provided services consist of collecting samples, providing awareness and rehabilitation programs for athletes and community members in the field of Anti-Doping. To promote fair play, the Organization also provides Antidoping supervision services by cooperating with international Anti-Doping federations and organizations and to provide all types of consultations related to Anti-Doping.

## VALUES

# B-NADO

## TUE

- B-NADO recognizes that athletes, like all people, may have medical conditions or illnesses that require them to receive treatment with a particular medication or undergo medical procedures. If the substance or method prescribed to treat that medical condition is prohibited by the World Anti-Doping Agency (WADA) Prohibited List, athletes can apply for a Therapeutic Use Exemption (TUE), and if granted, obtain permission to use a prohibited substance or method in sport for a specified time period. All TUEs are evaluated according to the WADA International Standard for TUEs.

## TUES DONE BY B-NADO

SPORT	TUEs	TOTAL
Football	1	1

- ◆ A single (1) TUE case has been occurred, for Football.
